UNIVERSITY OF ILLINOIS

Entrance Requirements

Graduates of an accredited high school with an average grade of (C) or (3) will be admitted without condition. Admission is based on 15 units of high school work. Each student should have sent to the dean before time of enrollment an official transcript of his high school grades. Students not meeting the above requirement may petition the faculty for consideration of their cases and may be admitted provisionally on examination or such other requirement as the faculty may specify.

Registration

Registration will be held September 3. All students are expected to enroll on the day set or be subject to late enrollment⁴ fee.

Requirements for Graduation

UNIVERSITY OF ILLINOIS

The course of study in junior college covers a period of two years of college work of thirty-six weeks each. For graduation from the junior college, the satisfactory completion of sixty hours of work is required. Six hours of rhetoric are required of all students and must be taken during the freshman year if possible.

Grades

A, B, C, and D represent passing grades. Cond. indicates work is conditioned; F, failure; I is incomplete; W means the student was permitted to withdraw from the course.

Honor Points

Each hour of credit is valued in honor points as follows: A, 3 points; B, 2 points; C, 1 point. No honor points are given for grades below C. To graduate, a student should have sixty honor points.

Student Load

Students are expected to carry fifteen hours of college work. Special permission may be secured from the Dean to carry fewer hours if the student has work to do or can show other good reason for carrying less. Sixteen hours is the maximum load for freshmen. Eighteen hours may be carried by sophomores if permission is granted on petition to the faculty.

Failures

Students failing in fifty per cent of school work for which they should receive grades at the end of the semester will not be permitted to attend the junior college the succeeding semester.

Expenses

For residents of Allen County, there is no tuition charge. Each student is required to pay general fees amounting to a total of ten dollars for the first semester the student is enrolled and to five dollars for each succeeding semester. Certain courses require the payment of a special fee. These are shown in the list given below. Students not residents of Allen County pay tuition of \$26.00 a semester.

General Expenses

Matriculation -----	\$5.00		
Graduation fee -----	4.00		
Library fee -----	2.50	per semester	
Physics -----	2.50	"	"
Chemistry 2 -----	7.50	"	"
Chemistry 3 -----	7.50	"	"
Zoology -----	2.50	"	"
Botany -----	2.50	"	"
Foods -----	2.50	"	"
Clothing -----	1.50	"	"
Office fee -----	1.50	"	"
Late enrollment fee (after September 7) -----	1.00		
Special or make-up exams -----	1.00		
Activity fee (to be spent by Faculty-Student Committee appointed by the Dean) -----	1.00	"	"
Tuition (students living outside Allen County) -	36.00	"	"
Tuition and all fees must be paid in advance. Fees are not re- turnable.			

Accrediting

Iola Junior College is full accredited for all of its academic courses by the University of Kansas, Kansas State College, Kansas State Teachers Colleges and consequently by other schools of similar rank.

Groups

A minimum of five hours credit in each of six of the groups listed below is required of each candidate for graduation. The groups numbered I to VII correspond to groups offered in the University of Kansas. During the two years, no student will be allowed to take more than twenty hours in one group.

- I. English: Rhetoric, English Literature and Public Speaking.
- II Modern Languages: French, German.
- III Mathematics: Solid Geometry, College Algebra, Trigonometry and Analytical Geometry.
- IV Physical Science: Chemistry II (\$7.50), Chemistry III (\$7.50), Physics I (\$2.50)
- V Biological Science: Botany (\$2.50), Zoology (\$2.50)
- VI Social Science: Medieval History, Modern Europe, Contemporary American History, American Government, Economics I, Sociology.
- VII Philosophy: General Psychology, Ethics.
- VIII Home Economics: Foods (^{3.00}~~\$2.50~~), Clothing (~~\$1.50~~), Design ⁵⁰
- IX Business: Shorthand I and II

COURSES

BIOLOGY

1. Botany (The Living Plant) 5 hrs. 2nd. Sem.
Lectures, demonstrations, laboratory, and recitation.
What plants reveal about the fundamental problems of life
and their relation to our welfare. Fee \$2.50 M. T. W. Th. F.
1. Elementary Zoology 5 hrs. 1st. Sem.
Lectures, recitation and laboratory work. Principles of
Animal Biology and applications to problems of human struc-
ture, function, development, heredity, and evolution. Train-
ing in methods of scientific observation and interpretation.
Fee \$2.50. M. T. W. Th. F.

CHEMISTRY

2. Inorganic Chemistry 5 hrs. 1st Sem.
Lectures and recitation, M. W. F. Laboratory T. and Th.
Prerequisite, Course 1 or one year of high school chemistry.
Fee \$7.50
3. Inorganic Chemistry and Qualitative Analysis. 5 hrs. 2nd Sem.
Lectures and recitations, T. and Th.; laboratory, M. W. F.
Prerequisite, Course 2. Fee \$7.50

PHYSICS

- 6a. General College Physics. 5 hrs. 2nd. Sem.
Mechanics, sound and heat. Lectures, recitations, and two
laboratory periods. Prerequisite, high school physics or
high school chemistry and plane trigonometry. Fee \$2.50.

ENGLISH

1. Rhetoric I 3 hrs. 1st. Sem.
Practice and theory of prose composition. Required of all
Freshmen. M. W. F.
2. Rhetoric II 3 hrs. 2nd. Sem.
A continuation of Course 1. Required of all Freshmen.
M. W. F.
10. English 2 hrs.
An introduction to the study of literature, including the
classical and the English epic.
11. English 3 hrs.
A study of the principles of literary appreciation based
on the study of the lyric and the essay.
12. English 3 hrs.
A survey of English literature, embracing a study of lit-
erary movements, with reference to literary history and
backgrounds, to the nineteenth century. Prerequisite,
Courses 10 and 11.
13. English 2 or 3 hrs.
A survey of English literature of the nineteenth and early
twentieth centuries. Prerequisite Courses 10 and 11.

FRENCH

1. Elementary French 5 hrs. 1st. Sem.
Grammar and easy reading; training in pronunciation and speaking; elementary syntax. M. T. W. Th. F.
2. French Reading and Grammar 5 hrs. 2nd. Sem.
Reading of simple prose text; dictation, speaking, elementary composition. Prerequisite Course 1 or 1 year of high school French. M. T. W. Th. F.

GERMAN

1. Elementary German 5 hrs.
Essentials of Grammar. Practice in pronouncing, reading and writing German. M. T. W. Th. F.

MATHEMATICS

1. Solid Geometry 2 hrs. 2nd. Sem.
Open to students who have not had solid geometry in high school. T. and Th.
2. College Algebra 5 hrs. 1st. Sem.
Intended for students who have entered with only one unit of algebra. M. T. W. Th. F. (Students offering one and one-half units algebra for entrance and taking this course will receive only 3 hours credit.)
3. Plane Trigonometry 2 hrs. 2nd. Sem.
Must be preceded by 2. T. and Th.
4. Analytical Geometry. 5 hrs. 2nd. Sem.
The straight line; circle; elementary curve tracing, conics; Prerequisite, Courses 2 and 3. M. T. W. Th. F.

PSYCHOLOGY

1. General Psychology 3 hrs. 1st. Sem.
A general survey of the fields of psychology with a careful study of the field of normal human adult psychology. It is required of students who expect to secure the certificate to teach. M. T. W. F. Sophomores only.
2. Elementary Ethics 2 hrs. 2nd. Sem.
A simple discussion of the facts of human life and conduct. The moral value of various forms of conduct and the motives and conditions leading to them will be considered. Prerequisite, psychology. T. Th.

PUBLIC SPEAKING

- Essentials. 2 hrs.
An elementary course in public speaking. The fundamental principles of expression are emphasized through drills in correct breathing, breath control, tone production, voice modulations, and in the composition and delivery of original speeches. T. Th.

SOCIAL SCIENCES

1. Elements of Economics. 5 hrs. 1st. Sem.

A concrete analytical study of economic laws and their effect on economic and human behavior. M. T. W. Th. F.

2. Early Civilization and Medieval History 5 hrs. 1st. Sem.

A survey of the civilization of early Egypt, Babylon, Assyria, Persia, Palestine, Greece and Rome, and a study of the life and institutions of the middle ages in Western Europe to about 1500 A. D. M. T. W. Th. F.

3. Modern Europe 5 hrs. 2nd. Sem.

A study of the political, cultural, social and economic history of Europe from about 1500 to the present time. M. T. W. Th. F.

4. Contemporary American History 5 hrs. 1st. Sem.

A history of the United States since the Civil War. M. T. W. Th. F.

5. Elements of Sociology. 5 hrs. 2nd. Sem.

A general course in the principles of sociology and a study of the origin, evaluation, structure, activities, and problems of society. M. T. W. Th. F.

6. American Government 5 hrs. 2nd. Sem.

A study of the organization, functions, powers and politics of the national, state, and local governments of the United States. M. T. W. Th. F.

COMMERCIAL COURSES

1. Shorthand I 5 hrs. 1st. Sem. M. T. W. Th. F.
(Class limited to 15)

2. Shorthand II 5 hrs. 2nd. Sem. M. T. W. Th. F.

HOME ECONOMICS

1. Foods I. 3 hrs. 1st. Sem.

Selection and preparation of foods. A study of the fundamentals of elementary nutrition. Practice in food preservation and preparation. Prerequisite or parallel 5 hrs. chemistry for transfer of credit. Fee, \$2.50

2. Foods II 2 hrs. T. Th. 2nd Sem.

Selection and preparation of foods, a continuation of Foods I with more stress on marketing, etiquette, meal planning and serving. Prerequisite Foods I. Fee 50¢

3. Applied Design 2 hrs. T. Th. 1st. Sem.

Study of color and of fundamental principles of design with their application to surface patterns, borders, and other decorative purposes. Fee 50¢

4. Clothing I 3 hrs. 2nd. Sem.

The factors that influence the individual in the selection and purchase of clothing; self analysis as a basis of clothing choices, knowledge of clothing choices, knowledge of clothing fabrics, the use of the clothing budget, knowledge of buying procedure; the care of clothing. Laboratory; Design and construction of an undergarment and outer garment. Prerequisite, Applied Design. Fee 50¢
